Group Project… Spiritual Growth
Galatians 6:1-5

For better or for worse, ***Spiritual Growth is a Group Project.*** There are almost 60 occurrences of the phrase, "***one another***" in the New Testament listed as specific commands. Here's the deal – if you're not connected to other Christians, you're going to have a difficult time obeying these commands. These commands are impossible to live out if we are not connected with other Christians. In several of his letters, the Apostle Paul reminds us we are "*members of one another*." In Galatians Chapter 6, Paul gives us a four-part group assignment.
