Turning "THE WORD" into "THE WALK"
James 1:22-25

The Word of God only benefits us if we put it into practice in our daily lives. All through the New Testament we're taught just hearing the Word of God is not enough… just believing the Word of God is not enough…

1. _____ to the Word of God is absolutely necessary. v22 (*Hebrews 4:2; James 2:17; Matthew 7:21; Matthew 28:19-20)*

2. An analogy of a person looking in a _____. v23-24

3. Look _____ into the Word and _____ what it says! v25 *(John 20:5-8)*

We are reading through the New Testament this year, and James is saying we need to do more… a LOT more… than just read God's Word with a passing glance at the words! We need to study it… investigate it… find the details… and put it into practice… ***do*** what it says! Let's *"Turn the Word… into the Walk!"*
