

STAND UP – Daniel 3
Faith In The Face Of Fire

We were introduced to Daniel's three companions: Shadrach, Meshach, and Abednego in chapter one. Captives, like Daniel, they were blessed by God, impressed the king, and entered into his service. In a kingdom gone bad... they were the best of the best!

Daniel 3 reveals more about the character of these three young men as they are faced with a situation demanding they either STAND UP or BOW DOWN! This is one of those chapters we think we know inside out... upside down... and forward and backwards. But do we?
