

STAND BOLDLY
What Happens When The Party's Over?

Though we are as sheep among wolves, it's time to be as wise as serpents and gentle as doves and as believers to **STAND BOLDLY** for the God we serve! We come to **Dan 5** and to an incident familiar to many,

"The Hand Writing On The Wall"

Daniel's life has moved ahead another 14 years, and there's a new king in town... King Belshazzar. Daniel 5 gives us the only glimpse we have of this man in the Bible... and it is one of the saddest chapters in the Bible. Daniel was called upon in his day... and we are called upon in our day... to **STAND BOLDLY** and speak the words of God.
