

The Jesus Nobody Wants To Know
Matthew 10:34-39

We are on an excursion through the New Testament in 2017. Today, we continue with Matthew 6-10. When I came to the end of chapter 10, I got a very different portrait of Jesus. Not many people, until reading this particular section in Matthew, know this side of Jesus. If we are aware of this side of Jesus, we often choose to ignore it. This is, ***The Jesus nobody wants to know!*** This is side of Jesus that is _____!

I. He did not come to bring _____! v. 34
The goal of the Gospel is *peace with* _____ (Rom.5:1).

II. The gospel has potential for _____.
Profound conflict should be expected between those who _____ the Gospel... and those who _____ it.

It is presented as an _____. v. 36
The only legitimate cause of conflict is the _____ of our message. (Hebrews 4:12)

III. The Need for _____ v. 37

IV. Jesus wants us to _____ Him.

V. We must “take our _____” v. 38-39

We can all finish John 3:16...
Now finish this...
“(YOUR NAME) so loved the Lord that he/she...” what?

What I Will Do With This Message: _____
