**STAND IN**
***The Dream Which Nearly Became a Nightmare***
***Daniel 2***

How do you stop something terrible already set in motion? The second chapter of the Book of Daniel describes one such time. Nebuchadnezzar, king of Babylon, was having dreams, disturbing dreams, dreams that kept him awake at night. He summoned a number of his senior staff, and he not only wanted them to tell him the meaning of his dream, he insisted they first tell him what his dream was! The king's dream nearly became a nightmare for his advisers. When they, nor their gods could do it, the king ordered all the wise men in the kingdom to be put to death! That's when Daniel **STANDS IN.** Here are some lessons we learn from Daniel 2:

**When things seem _____, God's hand is _____ present**.

**Be _____ and seek to _____!**

**Unite in _____!**

**_____ GOD!**

**Pass on the _____!**

**_____ GOD with the _____!**
