The Heavenly War
(Luke 11:14-28)

The Bible clearly announces we are engaged in combat with an unseen enemy intent on destroying the human race (Ephesians 6:12). It is a frightening truth which no one should doubt or ignore, but many do..… and live as if it's not true. The apostle John says, "*The reason the Son of God appeared was to destroy the devil's work."* (1 John 3:8)

So, Luke presses us to answer the question:
