

**#JESUS**  
**#StoppingYou (Acts 23-26)**

We see it often on Sunday mornings. The invitation is being sung and people hold on the pew in front of them until their knuckles turn white. But... Sunday comes and goes. Another "so-close" Sunday. Another "Almost" Sunday. Once again you leave as an **#AlmostChristian.**" We live in a nation filled with "AlmostChristians". What does an "almost" Christian look like?

**First** they are good, \_\_\_\_\_ people.

**Second** they are good, \_\_\_\_\_ people.

**Third**, they are good, \_\_\_\_\_ people.

The difference between an "#AlmostChristian" and a "#CompletelyChristian" is not what we see, or don't see on the outside! It's determined by what's inside them. So what is the difference between an "**#AlmostChristian**" and a "**#CompletelyChristian**"?

**First** is a genuine, all-consuming \_\_\_\_\_ for God;

**Second** is a genuine love for \_\_\_\_\_ people.

**Third** a "#CompletelyChristian" is driven by \_\_\_\_\_.
